

Info COVID-19

Dear customers,

With the current outbreak of coronavirus disease (Covid-19), the safety of our holiday makers and our teams remains our priority.

Following the latest government instructions, we are sorry to inform you we must close our campsite until further notice.

– In case you have made a booking in our campsite between May 1st and May 30, your booking is automatically cancelled. We offer you the possibility to postpone your stay (dates to settle together). No action is required. We will get in touch by e-mail.

– In case you have made a booking in our campsite from May 30, your stay is confirmed. Our team is closely following the evolution of the situation and will get back to you by e-mail in case of any change.

Our team remains mobilized and we will keep you informed as soon as we have more information on this subject.

We thank you for your understanding and sincerely hope we will have the pleasure of welcoming you soon in Vendée.

Take care of yourself and your loved ones
